

The Pavilion

The Pavilion provides two unique, 24-hour, skilled nursing settings. Short-term rehabilitation and long-term, full-time skilled care are available to residents of the second floor, while our Special Memory Care Pavilion residents on the first floor benefit from highly specialized care and support for Alzheimer's or other dementias. Whenever supportive services are recommended, our staff and programs are already in place to provide the physical, spiritual, emotional and social support to help you gain strength and maximize independence.
